Raising the Bar Training on Tuesday 20th July 2010 @ Caryford Community Hall

This 1-day practical course builds on the TIER 1 course and will enhance your understanding of multi-skills as a broad, balanced, child-centred approach to PE and Sport. Supported by an exciting new and innovative resource, you will explore how to use the FUNS programme to develop the 'whole child', including their personal, physical, social, cognitive and creative abilities. The course is ideal for those delivering Key Stage 2 and Key Stage 3 Curriculum, Multi-Skill Clubs and Gifted and Talented Academies. Using the original 'FUNS for everyone' programme as a spine, the new resource includes 3 x 9 module schemes of work, providing you with a menu of sessions and activities linked to the different abilities. In addition, recognising the importance of assessment for learning, the resource is built around a Whole-Part-Whole method of delivery
